

Restorative Reproductive Medicine Educational Webinars

We know that finding relevant continuing education is a challenge for Restorative Reproductive Medicine professionals. Our Webinars include several different series with topics pertinent to the care you provide and the information you need. Take advantage of the numerous choices, scheduled on different dates and times to accommodate the busy schedule of our members throughout the world.

Grand Rounds

Male Infertility
 PCOS Screening and Investigations
 Progesterone in Pregnancy
 Bio-identical Hormone Replacement
 Thyroid Disease in Pregnancy
 The Cervical Mucus Cycle Score: What does it mean?
 Diet and Fertility
 LDN in Infertility and Pregnancy
Saturdays 10am – 11 am EST/EDT
OR Tuesday 6pm to 7pm EST/EDT

Exceptions in RED

Myth Busters Journal Club

Modern reproductive medicine is founded on evidence based medicine... or is it? Examine the research and evidence, or lack of it, behind many popular approaches in reproductive healthcare. Sure to inspire many research ideas.

Topics: BCP for PCOS
 Miscarriage rates

Tuesdays 6pm – 7pm EST/EDT

Case Rounds

Present your difficult or interesting cases to your peers and a panel of experienced providers for discussion. The process is simple, log onto the website www.reproductiveinstitute.com, & click on the webinar presentations icon for directions and a PowerPoint template. If you've a compelling case you'd like to discuss submit it.

Tuesdays 6pm – 7pm EST/EDT
OR Saturday 10am – 11am EST/EDT

Exceptions in RED

Surgeons/Practitioners

Now Restorative Reproductive surgeons and professional practitioners providing fertility charting and fertility awareness methods have their own dedicated continuing educational sessions. Logon for more details.

Surgical Rounds Coordinator: Dr. Patrick Yeung

Practitioner Rounds Coordinators: Ms. Karen Hemingway

Mr. Paul Kortz

Wednesdays 6pm – 7pm EST/EDT
